Floor/Wall Tiles

BASALTO BUSH HAMMERED
TL90881 - 12”x24”x5/8”

BASALTO CHISELLED
TL90880 - 12”x24”x5/8”

BASALTO HONED
TL90879 - 12”x24”x3/8”

Mosaics

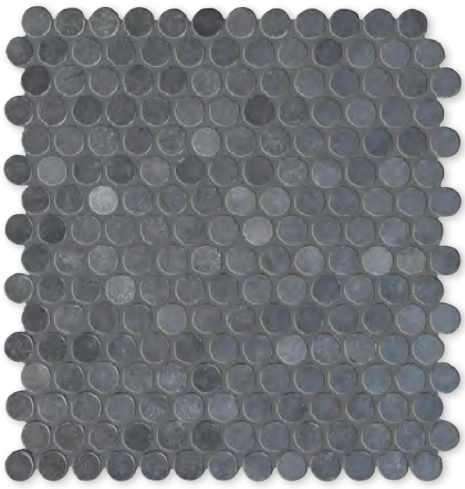

BASALTO MULTI FINISH STAGGERED
MS90263 - 12”x12” NOMINAL

BASALTO HONED ELONGATED HEXAGON
MS90265 - 10”x12”x3/8”

BASALTO HONED 1X1 STRAIGHT JOINT
MS90266 - 12”x12”x3/8”

BASALTO HONED PENNY ROUND
MS90264 - 11 7/32”x12”x3/8”

In Rome architects and engineers selected Basalto to create the Theatre and pave the streets.

They prized the rich range of charcoal grey to black colorization of this unique material along with its incredible density. Basalto is found on the terrestrial planets (those closest to the sun) of Earth, Mercury, Venus and Mars! Our unique symphony of Basalto is offered in three irresistible finishes; honed, chiseled and bush hammered. There are a variety of field and mosaic blend options to choose from; elongated hexagons to a multi finish staggered.

TECHNICAL CHARACTERISTICS	TEST METHOD	TEST RESULT(S)
Absorption by weight	ASTM C97/C97M-09	1.58%
Density		2710 kg/m³
Abrasion resistance (sawn)	ASTM C241/C241M-13	25
Modulus of rupture	ASTM C99/C99M-09	Dry Condition: 16.0 MPa
		Wet Condition: 18.4 MPa
Flexural strength	ASTM C880/C880M-09	Dry Condition: 16.8 MPa
		Wet Condition: 14.8 MPa
Compressive strength	ASTM C170/C170M-14a	Dry Condition: 143 MPa
		Wet Condition: 121 MPa
